## WHATEVER BUSINESS YOU'RE IN

As a premium supplier of essential PPE and safety gear, Avid Edge's products are top quality, safety compliant and purpose built to handle even the most extreme working conditions.

We have bulk stock of key items like hand sanitisers and dispensers, protective cough screens, antibacterial surface wipes, disinfectant sprays, disposable gloves and coveralls, face masks, and isolation gowns. We also supply social distancing signage and floor decals and industry-specific PPE such as respirators and face/dust masks, self-contained breathing apparatus (SCBA), and a large range of eye protection including safety goggles, safety specs and face shield protection.

If you require specific PPE to get your workplace COVID-19 safety compliant please get in touch. We will work with you to keep your team safe so you can focus on getting back to business.

\$5.95+GST PACK/50

# FACE MASKS & SHIELDS

## HELP REDUCE COMMUNITY TRANSMISSION

Wearing a face covering helps keep you and others safe. Coronavirus (COVID-19) is spread from close contact with a person with the virus. Face coverings help stop droplets spreading when someone speaks, laughs, coughs, or sneezes, including someone who has coronavirus (COVID-19) but feels well.

The best way to protect other people against COVID-19 is keeping 1.5 metres apart, washing your hands often or using hand sanitiser, and coughing or sneezing into your elbow or tissue. Face coverings are an additional protective physical barrier to protect you and your workforce.

### PERFORMANCE REUSABLE FACE MASK

Flexible adjustable nose bridge, 3 layer antibacterial construction, machine washable. In stock, available now.

Full colour customised print available.

**\$300+GST PER BOX/50**

# FACE MASKS & SHIELDS

## NEXT LEVEL PROTECTION - FACE SHIELDS

When worn together with a properly fitted surgical mask, face shields offer an additional level of protection from contamination to others, as well as to the wearer. Face shields provide eye protection that a surgical mask cannot give.

Some types of face shields may be cleaned, disinfected, and reused (depending on the manufacturer's instructions. In addition, the wearer's face and facial expressions can be seen, which may be important in some industries.

### FACE SHIELD - MULTI-USE / WASHABLE

Full face shield with heavy duty polycarbonate lens, elastic retaining band and lift-front. Can be worn with or without spectacles or goggles. Class 1 medical device - non-sterile.

**\$79.90+GST PACK/10**

### FACE SCARF

Face Scarf, Green 10-Pack

**\$99+GST PACK/10**

# PROTECTION & COUGH SCREENS

## PROTECT YOURSELF, PROTECT YOUR CUSTOMERS

Our protective screens are designed to protect staff and customers from airborne, virus-containing droplets caused by speaking, sneezing, laughing, coughing, or even breathing, and allow clients and employees to feel safe in the workplace.

Our custom cough screens are locally designed and produced, ensuring a super quick turnaround. So your staff and customers will be safer sooner.

Our protective cough screens and sneeze guards are cleverly designed for easy installation, either with a portable free-standing set-up, or easily adapted to suit a permanent, fixed application.

We have a wide range of standard sizes and designs on offer with great functionality and impressive value.

If you require a custom solution for your workplace we can manufacture to your specification, or our design team can work with you to work out the best solution for your specific requirements.

500ml ea	<b>\$17.50+GST</b>
1L ea	<b>\$21.50+GST</b>

## HAND SANITISER - ESSENTIAL PPE FOR VIRUS PROTECTION

Regular hand washing, using soap and running water, is one of the best defences against contracting COVID-19, as well as many of the other viruses, bacteria and microbes that can make us sick. However, when water is not available or when your already clean hands just need an extra boost, hand sanitisers are convenient, portable and effective. Australian and international hand hygiene guidelines recommend alcohol-based hand sanitisers and hand washing as the best methods for removing microbes.

Avid Edge can supply hand sanitisers in 60ml, 80ml, 250ml, 500ml and 1L sized bottles, as well as 5L re-fills for our range of free standing and wall mounted hand sanitiser dispenser units.

## SITE HYGIENE RULES

ANY EMPLOYEE, VISITOR OR CONTRACTOR ENTERING THIS SITE **MUST** COMPLY WITH THE FOLLOWING RULES AND PRACTICES

**STAY HOME IF YOU ARE UNWELL OR SUFFERING COLD & FLU SYMPTOMS**

**RECOMMENDED DISTANCE FROM OTHERS IS 1.5m**

**WASH YOUR HANDS FREQUENTLY WITH SOAP AND WATER OR USE AN ALCOHOL BASED SANITISER**

**COVER YOUR NOSE AND MOUTH WITH A TISSUE OR FLEXED ELBOW WHEN COUGHING OR SNEEZING.  
DISPOSE OF TISSUE IMMEDIATELY AFTER USE AND WASH YOUR HANDS.**

## SOCIAL DISTANCING SIGNAGE

### SOCIAL DISTANCING SIGNAGE FOR THE WORKPLACE

Due to the COVID-19 outbreak, social distancing has become a necessity. Implementing signs and posters around the workplace reminds workers and others of the risks of COVID-19 and the measures that are necessary to stop its spread. This includes information on what COVID-19 is and how you can stop it spreading, and visual reminders of how to wash your hands and the physical distancing requirements.

Our range of social distancing signage, stickers and floor decals are perfect for telling your employees, customers, friends and family members that social distancing is important to you.

**NOTE:** Many other standard signs and stickers available, and custom signage can be produced via our in-house team. Request a quote.

**SIGN: SITE HYGIENE RULES**

300mm x 225mm Poly 10-Pack
